MEMORANDUM

May 11, 1964

TO: Mr. J. Lee Rankin

FROM: Leon D. Hubert, Jr.

I spoke to Mr. Barefoot Sanders only casually because the purpose of my call was to check with Martha Joe Stroud as to how many depositions were still in her hands. Sanders took occasion to say to me that he had a great deal of concern about the publication of some of the depositions. He had reference to those in which the witness being deposed made derogatory statements against other people; and particularly those police officers who criticised their superiors. He told me that there was concern in Dallas about these matters.

I told him that the only thing I could do was to pass the matter to you since, of course, the basic problem involves not merely those depositions taken by me but obviously those taken by others.
